

Become an Animal Friend of the Harry Edwards Healing Sanctuary Today!

A wonderful way to support the Sanctuary and its healing work with Animals

The Harry Edwards Healing Sanctuary is dedicated to promoting health and wellbeing through our spiritual healing service, not only to people but to animals as well. We receive healing requests for our beloved pets from all around the world and, just as Harry Edwards did, we will continue to include the animal kingdom in our healing prayers.

This wonderful healing service has been available to all those in need for over 75 years and we want to continue to reach and serve all those who ask for our help. As a charity we could not do this without much needed donations.

This is a wonderful way to support the Sanctuary and its healing work with Animals.
